JTI will provide students with contact details to refer any matters that require further follow up with relevant professionals. Any referrals are conducted by JTI at no cost to the student, but fees and charges may apply where an external service is used by the student and this should be clarified by the student prior to using such services outside of the Job Training Institute.

- ***Academic issues***

Students may have concerns with their attendance, academic performance or other related issues that are placing them at risk of not achieving the requirements of their course. Students can gain advice and support in ensuring they maintain appropriate academic levels, attendance levels, and general support to ensure they achieve satisfactory results in their studies. This is to be addressed with their respective trainers and if concerns persist, the student should consult the Course Manager for further assistance.

All students' progress and attendance are monitored, and guidance and support provided where unsatisfactory results are identified. For more details on support offered in this regard see **COURSE PROGRESS AND INTERVENTION POLICY AND PROCEDURE**.

A student can access the Course Manager and appointments can be done through Admin staff, to discuss any academic, attendance, or other related issues to studying at Job Training Institute at any time. The Course Manager will be able to provide advice and guidance, or referral, where required.

Where the SSO feel further support should be gained, a referral to an appropriate support service will be arranged. JTI has contracted services of an external counsellor to support staff and students and this information is available with SSO.
